PRA Analog Net Script   **Version 2.4**   **1-2-2023**

Note: If you want to use Netlogger, you have two options. First option is for you to run the radio and run Net Logger yourself. Second option is for you get on the air 5-10 minutes before the net starts and ask if anyone would like to assist net control and run Netlogger. I you don't want to use Netlogger at all, or no one is available to run it for you, please use the old fashion way; pencil and paper.

Welcome to the Parker Radio Association Thursday night analog net. Parker Radio where we "do stuff, play radio, and always keep the squelch loose". My name is _____, and my call sign is _____, and I am your Net Control Station for tonight's net. This is a directed net so please direct all communications through net control. This net meets every Thursday night at 8:30pm mountain time on the 147.165 VHF repeater and the associated linked systems including Allstar node 410460. For more information on our repeater systems, please check out the "on-the-air" tab at the PRA website which is located at www.parkerradio.org. We will now take general check-ins for the net, followed by net control calling on everyone who checked in for comments on our discussion topic of the night. Our discussion topic for tonight's net is _____.

Take check-ins now. Start with whichever prefix you want to start with then pick up each additional prefix. You need to cover "A", "N", "K", "W", and any international calls or other calls.

We will now take check-ins for call signs beginning with "A",

After check-ins, repeat the discussion topic for the night then go back to the top and run through the list.

K0TNG you are at the top of the list, over to you.

Next is AB4BA.

Once everyone has been called on, look for any additional check-ins.

Last call. Anyone anywhere for final check-ins for the Parker Radio Association analog net, come now.

Go through any additional check-ins. After you run those stations, you will ask for anyone with PRA club announcements. Sometimes there are 10 minutes of announcements, sometimes only one or two.

We will now take check-ins from anyone who has announcements for the net. Please come now.

Run through this list followed by closing a statement.

Thank you for checking into the Parker Radio Association Thursday night analog net. We look forward to hearing from you again soon. This net meets every Thursday night unless there is a Face-to-Face or Elmer meeting scheduled on a Thursday night. 73 and this net is now closed.

Last Note: Please follow the format of the net, but feel free to use whatever script you are comfortable with. Use this script, modify this script, or inject comments as you see fit. This is a hobby and as such this is a very informal activity, so most of all, have fun.
